1. As the Commander of Joint Base Charleston, under the authority of the Joint Travel Regulation (JTR) paras. 0601, Table 6-2, 0602 and 0604, I ordered an evacuation effective on 10 September 2018 at 1800 for evacuees residing in the following areas: Northern South Carolina Coast (All Zones) including Horry County Evacuation Zones A, B, C and Georgetown County Evacuation Zones A, B, C; Central South Carolina Coast (All Zones): Charleston County Evacuation Zones A, B, C, Dorchester County Evacuation Zones D, E, F and Berkeley County Evacuation Zones B, G, H, I; Southern Coast (All Zones): Colleton County Evacuation Zones A, B, Beaufort County Evacuation Zone A and Jasper County Evacuation Zones A, B; and those evacuees whose permanent residence was located outside of these counties but were ordered by command to evacuate.
2. As of 0900 on 15 September 2018, I am terminating the evacuation order and issuing a recall order for personnel detailed to HURRICANE RECOVERY TEAMS ONLY. Hurricane recovery teams are expected to begin travel back to Joint Base Charleston when it is safe to do so given the weather and road conditions from their safe haven location. All personnel not specifically detailed to a hurricane recovery team must not return at this time. Separate guidance will direct return for all additional personnel. After arriving, hurricane recovery team members must notify commanders. The LEO still applies to individuals not assigned to a hurricane recovery team, including recovery team member dependents.
3. This order does not apply to personnel detailed to SPAWAR Systems Center Atlantic (SSC LANT). SSC LANT personnel should follow guidance from the activity head.
4. Failure to comply with this order is a violation of Article 92, UCMJ, for military members. DoD civilians in violation of this order may be subject to administrative discipline under applicable service regulations.
5. All affected members should report to their chain of command for further instructions.
